To The many Readers of the Tulsa Star:

This comes to let you know the wishes of the paper in this New Year we must start it alright, and to do so we must subscribe and read Our Paper of the Race and also encourage our children, our Members of our Lodges and Churches to read the same.

From the date of October 5, 1920, the St. John Grand Lodge has been busy looking forward to light and uplift by listening to your humble Servant as Grand Lecturer of the State of Oklahoma. I have not had a pleasant sail thus far, but I have said just what the Lord gave me utterance to say. I also have followed the path of duty as I have seen it. I still see the importance of reading first your own papers, and help the Race and humanity.

Remember that some little girls are depending on your support in this lonesome world. I hope the many readers and 5,000 Master Masons and over 3,000 ladies of the O. E. S. all of the jurisdiction of Oklahoma will remember those that stand in need.

I am told it takes money to make money. If this is true, you must spend money for something to feed your brain, your eyes and your Soul. The Bible and our Race papers will do it.

My Work as Grand Lecturer On the Field

My working sheet was sent to me on the 2nd day of October, 1920 with 217 Lodges on line in this beautiful State, but at this writing I have only 99 lodges to make. While I have been in one Train wreck on the Fort Smith and Western Railway, I have asked the protection of God to care for me and others along the line of life.

I am at this writing in the Office of Hon. S. T. Wiggins, Pass G. M. A. F. A. M. and W. M. of 105, Wagoner, Okla. and Secretary of Bureau of Endowment of G. L. O. O. F.

Calhoun Lodge, Muskogee, Mofet, Rolland, Muskogee and Oklahoma City are along the line with the best lodges of the State. I am enroute to Tulsa and other Lodges in the Northern portion of the State. I have been able to have a number of Lodges to meet in joint session and love and harmony are among the Lodges. It seems to be a great revival on in this State this year.

At this writing the report of Lon McNeil shows 428 new Policies have been sent out since Webber has been installed as Grand Master.

While in Muskogee on Jan. 18, I had the pleasure of shaking hands with many pleasant Masons, Past Grand Master Stewart's hand was as soft as usual and the same old pleasant smile on his face.

The home of Grand Patron W. L. Wade was all a place of pleasure with the kind smiles of his loving wife, mother and sister and above all those little children, boy and girl. My stay was beyond expression.

I ask all to remember the little fatherless girl who lost her father on the 13th of Sept., 1920, who is trying to keep her father's paper going, namely the National Defender and Sun of Gary, Ind.

I shall write again when the Brothers give me an idle day.
I. H. BROWN, Grand Lecturer.

ARE YOU SICK?

If so your greatest ambition should be to get well the chiropractic way (without drugs or surgery) the primary cause of all disease is pressure on the nerves that leads out from the spinal cord in the back bone and these causes can not be reached with drugs or by operating the only way of getting permanent relief is to have these causes removed. This can only be done by an experienced chiropractor. A trial course will convince you. It will cost you nothing to find out your condition and a very little to get well. Come all you that are ill and are burden with disease and I will give you advice take my adjustments upon your spine and they will give you health. Though we are despised and fought by all other Doctors, we like competition for we have had four years experience and know what we are doing and can find the cause of diseases and know how to remove it if you are despondent and feel all out and down talk it over with
